Dear Stuart,

I just wanted to thank you for your efforts during my purchase of Alini Magazine Services. Your professionalism was exemplary throughout. Your diligence and timeliness in answering my queries and finding satisfactory answers made the process go as smoothly as possible under the circumstances. Most notable was your outstanding patience with, and understanding of, my often irascible response to my inability to make things happen faster. All of these business-related accolades notwithstanding, I found it a pleasure to work with you on a personal basis.

I also want to thank Darren, who exhibited similar qualities throughout the purchase process. The two of you make a great team, and one I would heartily recommend to anyone contemplating selling or buying a business. Good luck in the future and let's keep in touch. Now back to work as I try to keep up with all of these orders.....Have a happy, successful, and meaningful New Year....

Sincerely,

Jerry Zykowski
