Dear Stu,

I would like to take this opportunity to once again thank you and Ken for your professionalism, expertise, knowledge and guidance in support of the sale of BounceU Farmingdale.

After speaking with several potential brokers at the onset, I was confident after our very first meeting, as it was evident to me immediately, that the Kensington Company was the right option for this transaction. You were extremely knowledgeable and immediately understood the value of the business, while setting the appropriate expectations.

I would like to further convey how much I appreciated your professionalism and your thoroughness throughout the entire process. Your expertise was instrumental in the oversight of the transaction while overcoming and mitigating any obstacle almost immediately. You did a commendable job vetting through all the potential buyers while keeping our confidentiality, and ensuring no impact. I further appreciated your flexibility with accommodating our schedules, including showing the facility at 7:00AM on the weekend. ☺

Your commitment and dedication to the sale of the business was evident with how prepared you were at every meeting, and how well you listened to everything we discussed. I was impressed with your ability to pitch and present the business to potential buyers just as if it were your own.

Again, it was a pleasure working with you both and I look forward to the opportunity to work together in the future.

Best regards,

Michael Martinek
