

Joe,

I just wanted to take the time to express how very thankful and appreciative I am for ALL your hard work and continued dedication in searching for a bagel shop that suites my needs...When I first met you I knew we'd hit it off well. You had told me a lot about yourself, including your high level of experience in the restaurant business. That alone made it easier for me to put my trust in your hands because I know you are very knowledgeable in this field and can relate and help with things I may be unsure of. I know you would NEVER lead me in the wrong direction which is why your guidance is exceptional. I know soon enough my phone will be ringing with an amazing business opportunity that is way too good to pass up and I'll have you to thank for that...I've known you for quite a while now and comes as no surprise that you are a remarkable person. I don't only see you as my business broker, but as my mentor and even more so, as my friend! Thank you so much for everything Joe, You're the best!

Talk to you soon!

Richie
